

The Atlas Professional

Health Coverage that Goes Far & Beyond

Annual International Travel Insurance

For international executives who require comprehensive coverage for multiple trips abroad during the year.

Atlas Travel Assistance Services

Astonishing assistance for the professional traveler.

Why Buy Travel Insurance?

The answer is simple. International travel involves risk. You may arrive at your destination only to find that your luggage with valuable personal items has disappeared, a personal emergency may necessitate your early return to your Home Country, or a medical emergency may necessitate hospitalization or even air evacuation. In most cases, your existing insurance will not provide adequate protection to you for these and other risks involved with international travel. Without appropriate travel insurance, you can be exposed to significant financial liability. MultiNational Underwriters, Inc. has designed The Atlas Professional to take the risk out of international travel, so that you can have an enjoyable and productive trip.

Am I Eligible For The Atlas Professional?

If you travel outside of your Home Country, and you maintain medical insurance that covers you while you are in your Home Country, you are eligible for Atlas Professional. If you are under age 70, the Overall Maximum Limit is \$1,000,000. If you are age 70 to 79, the Overall Maximum Limit is \$50,000. If you are age 80 or older, the Overall Maximum Limit is \$10,000.

When Does Annual Coverage Become Effective And When Does It End?

The Effective Date is the later of: the date we receive your Application and correct premium or the date you request on your Application. The Period is 12 months. During the Period, you are covered for all trips of **30 days duration or less** outside your Home country. Coverage is effective on the date you depart your Home Country, and ends on the date you return to your Home Country. If you purchase coverage for your Spouse and/or Dependents (under age 19), they are covered during the same time period as you as long as they accompany you on your trip.

Does Atlas Professional Provide Any Home Country Coverage?

No. There is no coverage while you are in your Home Country. Atlas Professional is available only to individuals who maintain Home Country medical coverage.
