Since SRI's Benefit Period states that the program will pay up to a total of six (6) months for any one eligible condition, you can be protected beyond your period of coverage.

The maximum period of time SRI will offer this option is three (3) years (one (1) year for persons age 70 and over). It is important to note that rates and benefits may change for each subsequent period of coverage. A \$5.00 Administrative Fee will be included on each notice. This option is not available if you allow coverage to expire prior to

reapplying. If this happens, an entirely new program must be purchased (pre-existing condition begins again). Please note that the maximum period for the deductible and coinsurance is 12 (twelve) months.

Continuing Coverage is available on a monthly basis when purchased using SRI's online system.

Hazardous Sport Coverage (when applicable)-To cover motorcycle/motor scooter riding, mountaineering (4500 meter limit), hang gliding, parachuting, bungee jumping, water skiing, snow skiing, snowmobiling, and snow boarding.

Additionally, the Company's appointed network provider must be utilized for medical expenses incurred inside the United States (when available – contact SRI Assist with questions). A listing of network facilities can be found at www.specialtyrisk.com/ppo on the worldwide web. Pre-notification does not guarantee that benefits will be paid. Failure to follow PreNotification / Referral will result in a 20% reduction of Eligible Benefits. (For Emergency admissions and situations, SRI Assist must be contacted within 48 hours, or as soon as reasonably possible.)

Please be aware that this is not a general health insurance policy, but an interim travel medical program intended for use while away from your Home Country or Country of Residence. Liaison International does not guarantee payment to a facility or individual for medical expenses until the Company determines that it is an eligible expense.

No such action shall be brought after expiration of three (3) years after that time written Proof of Loss is required to be furnished.

Subrogation

To the extent the Company pays for a loss suffered by an insured, the Company will take over the rights and remedies the insured had relating to the loss. This is known as subrogation. The insured must help the Company to preserve its rights against those responsible for the loss. This may involve signing any papers and taking any other steps the Company may require. If the company takes over an insured's rights, the insured must sign an appropriate subrogation form supplied by the Company.

Pre-Notification and Network Information

Many facilities inside the U.S. are not familiar with travel medical insurance and this creates unnecessary problems for insureds. **SRI Assist must be contacted and SRI's provider network must be utilized for treatment received in the United States.** When contacted properly, SRI Assist is able to notify the network provider of benefits, coverage, and conditions in advance of the insured's arrival. While utilizing the network does not guarantee benefits or that the treating facility will bill SRI directly, it saves the insured from many administrative hassles and places the facility in contact with the SRI claims department.

While SRI does not have network facilities outside the United States, the quality of medical attention available is important to us. Outside of the United States, the insured must pre-notify SRI Assist for any hospital admissions or any inpatient / outpatient surgeries.

Contact information for SRI Assist is below and on the back of your ID Card. A listing of network providers can be found at www.specialtyrisk.com/ppo on the web. Following these procedures are very important, failure to do so will result in a 20% reduction of eligible benefits.
